

FACULTY SENATE RESOLUTION 79-13

WHEREAS a partial fee waiver program would boost faculty morale and provide a significant employee benefit, and

WHEREAS a large majority of faculty would favor a fee waiver program, and

WHEREAS many other public and land-grant universities have some version of a fee waiver program available to their employees, and

WHEREAS such a fee waiver program may have indirect benefits such as aiding in faculty recruitment,

THEREFORE, BE IT RESOLVED that Louisiana State University develops a fee waiver program to partially reduce the fees of children or spouses of LSU faculty. The program should contain the following provisions.

1. Dependent children and spouses of all faculty members with the rank of Instructor or above shall be eligible.
2. The University fee shall be reduced by 50% for any academic term in which the child or spouse is eligible.
